**Survey
outcome**

Survey outcome

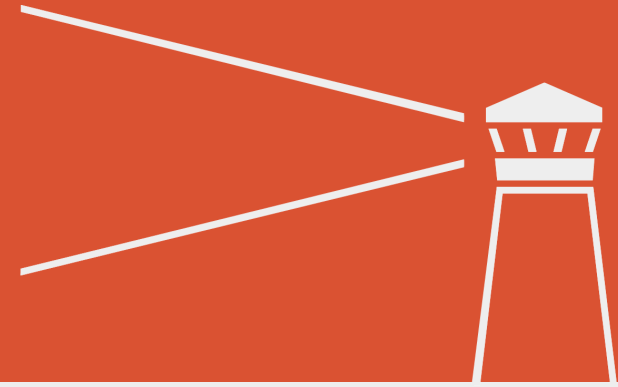

1. Summary
2. Conclusions
3. Changes for 2019/2020
4. Changes for 2020/2021

Survey 1. Summary

Not everything is conclusive
Level is about right
Seems like we're doing okay!

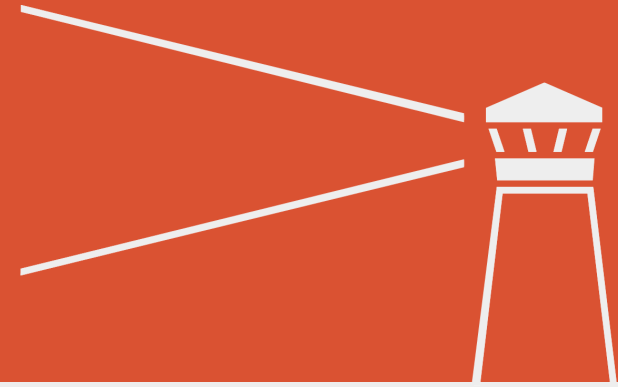

Survey 2. Conclusions

Practical applications are paramount
More facilitated repetition needed
Playing is damn important
This kind of input is necessary

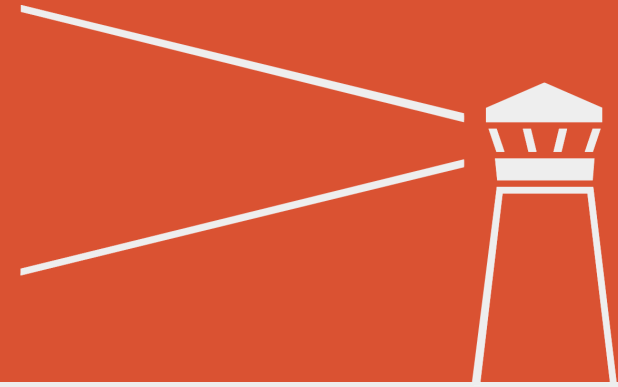

Survey 3. 2019/2020

More project management
More presentation / pitching
More focus on events / event mgmt.
Force practical application of tools
More structure surrounding project work
Bring in a 'fixed' version of news update

Survey 4. 2020/2021

Keep 60-70%

Starting project work earlier

Drop the social lab focus

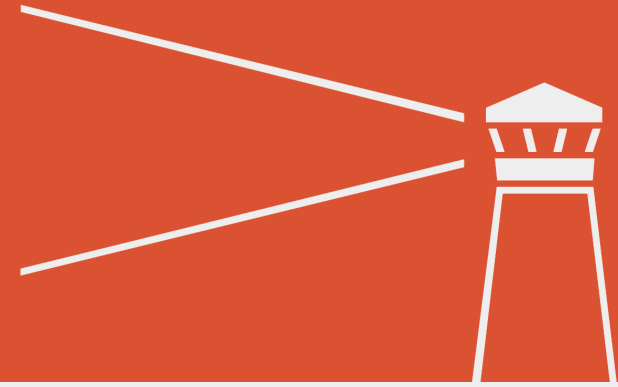

Prepare more of a welcome package

Blueprint for whole group

No interruption of design processes

Changes in guest lecture roster

Survey outcome

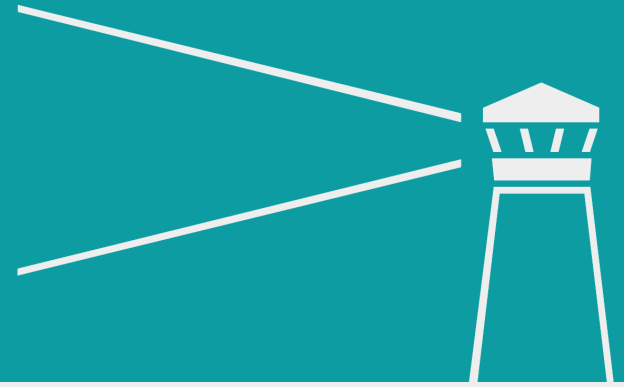

We learned a lot more than what we could capture in these slides.

Thank you so much for your input.

Teacher recruitment

Teacher recruitment

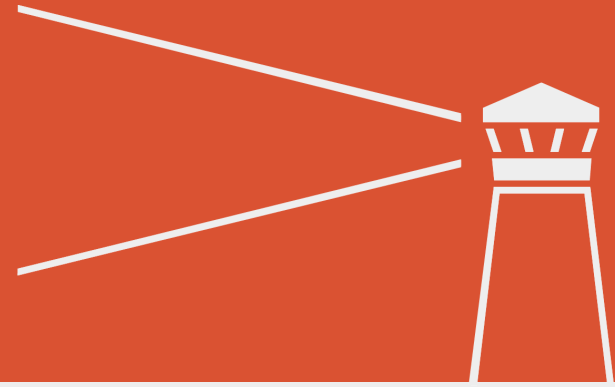

One more guest teacher session coming up.

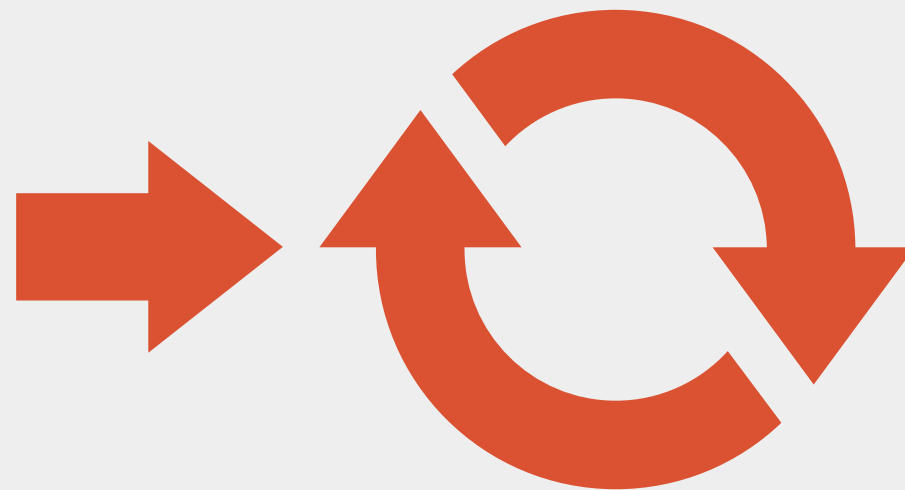

Looking
back

Looking back

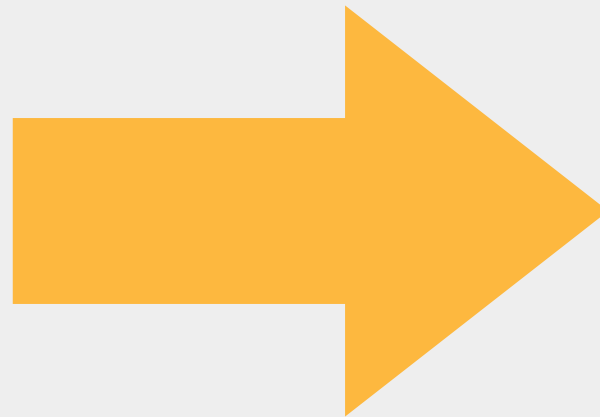

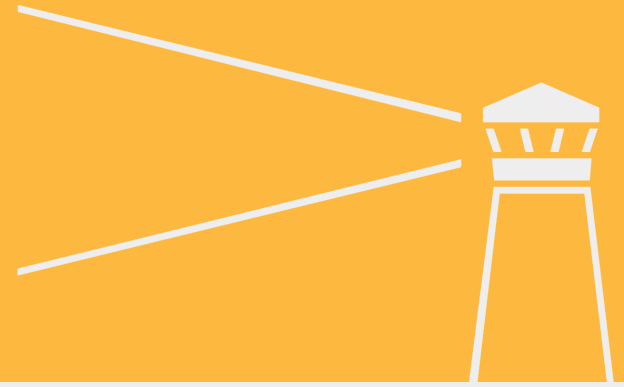

What things we have learned can be used in our project work? What else is needed?

Looking
forward

Looking forward

What is planned?

What else do our projects need?
