Passion mind mapping

Personal timeline

Friday assignment

Check-out

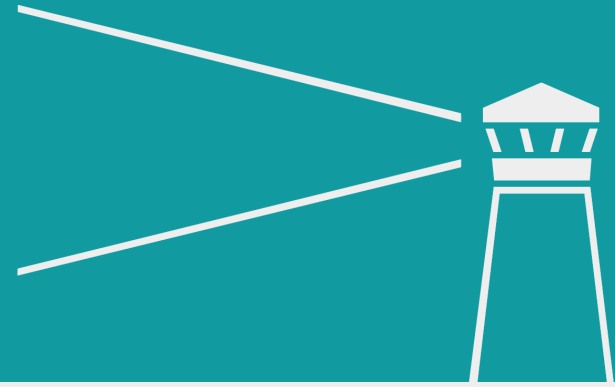

Check-in:

When was the last
time you stayed up
working late into
the night?

object
pres.

Object presentations

For exactly 3 minutes:

Why did you pick this object?

What does it symbolize?

How does it make you feel?

Listeners:

On post-it notes, what do you learn about the person presenting?

passion
finder

Passion finder

If I would win first place in a talent show, it would be about...

As a child, I always dreamed of...

I totally forget about time when I...

I love movies and books about...

Even if I only tried it once or twice, I really enjoy...

If I had a free week I would spend it...

When making a home made gift, it is...

Most people don't know that I really enjoy...

If I had my own TV show, it would be about...

My friends ask me for help when they need...

passion mind
mapping

Passion mind mapping

Create a mind map with yourself in the center, surrounded by your passions.

4D Cycle

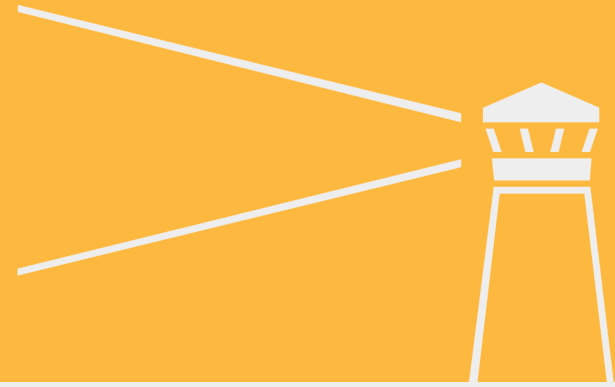

Appreciative inquiry

4D:
Discovery
Dream
Design
Destiny

weekly
eval.

Initial space setup

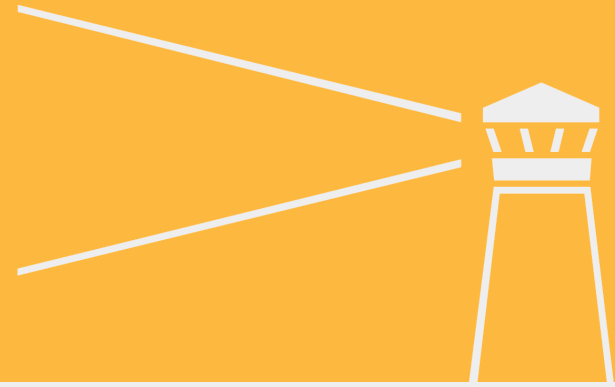

This was the project motivation - did it work?

- Establishing baseline
- Teambuilding
- Building relations with staff
- Experiment with self-organization
- Practice pitching and reflection

- Transfer ownership
- Practice prioritization
- Get familiar with the local area
- Practice bootstrapping

Weekly evaluation

Highlight of the week(s)
Low point of the week(s)
What didn't work?
What felt just right?

For Friday:

Prepare a 3 min
presentation on
your passion &
purpose.

Check-out:

Did you find out
something new
about yourself
today? What?
