# Leadership qualities

Who do  
we lead?

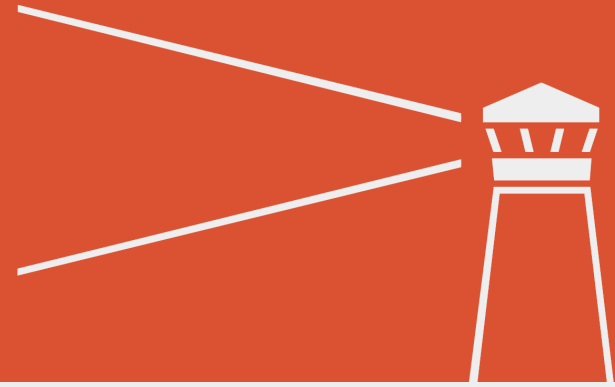

# Leadership qualities

**According to  
Burning Man**

## **1/13 - Accountability**

A great leader is reliable; following through on their commitments.

# Leadership qualities

## **2/13 - Acts with integrity**

A great leader is honest,  
ethical and professional.

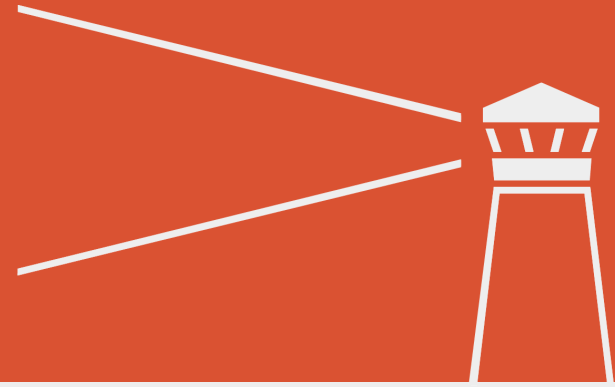

# Leadership qualities

## **3/13 - Appreciative**

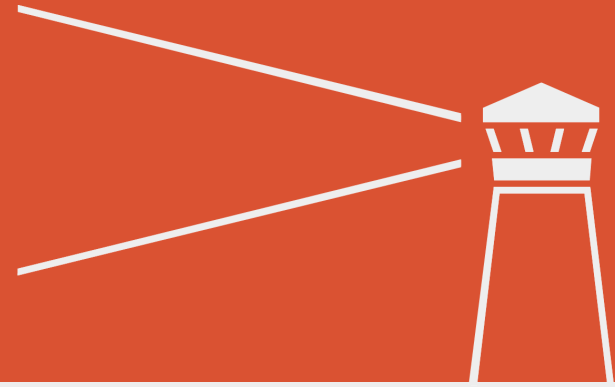

**A great leader shows  
appreciation to all  
contributors.**

# Leadership qualities

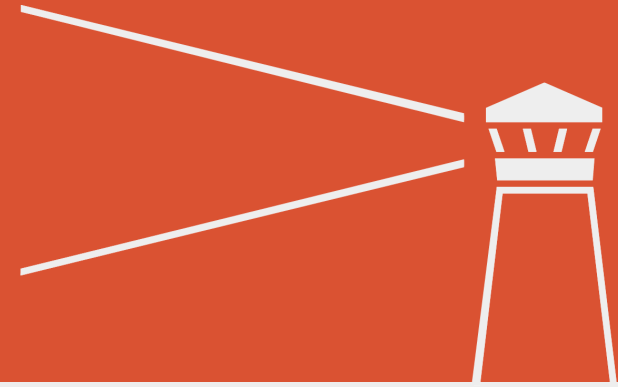

## **4/13 - Collaborative**

**A great leader involves all stakeholders in any issue.**

## **5/13 - Comfortable in grey areas**

A great leader is willing to take necessary decisions also when the outcome is unclear.

## **6/13 - Honest and open**

A great leader is not afraid to admit their mistakes, and does not believe themselves to have all the answers.

# Leadership qualities

## **7/13 - Inspiring and involved**

A great leader strives to inspire and leads by example.

# Leadership qualities

## **8/13 - Leaves ego behind**

**A great leader serves the cause/  
project, not themselves.**

# Leadership qualities

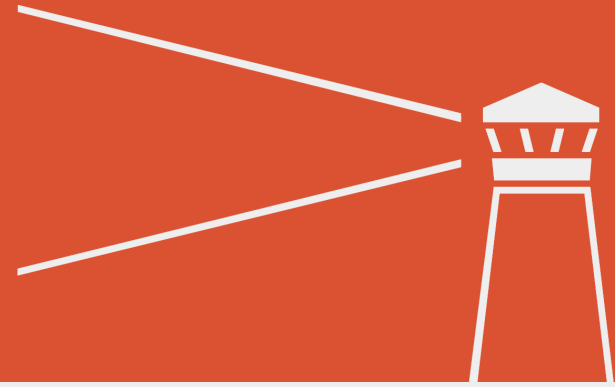

## **9/13 - Open to new ideas**

A great leader is willing to always learn by trying new things.

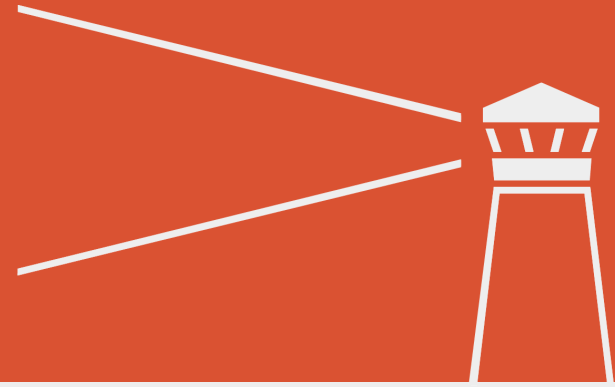

**10/13 - Perceives the big picture**  
A great leader maintains an overview of the project and does not get stuck in details.

## **11/13 - Prioritizing**

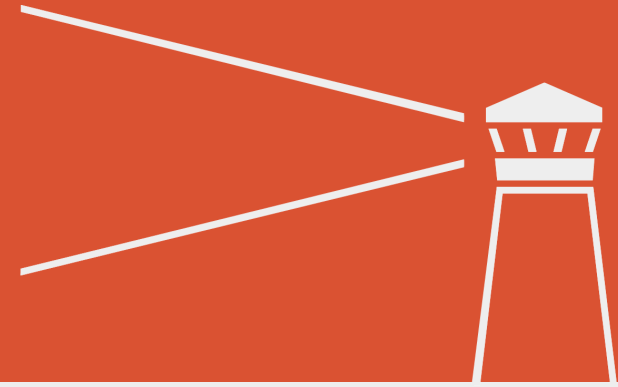

A great leader keeps track on what elements need attention, and places their focus accordingly.

## **12/13 - Self-aware**

A great leader knows their strengths and weaknesses, and how their words are interpreted by others.

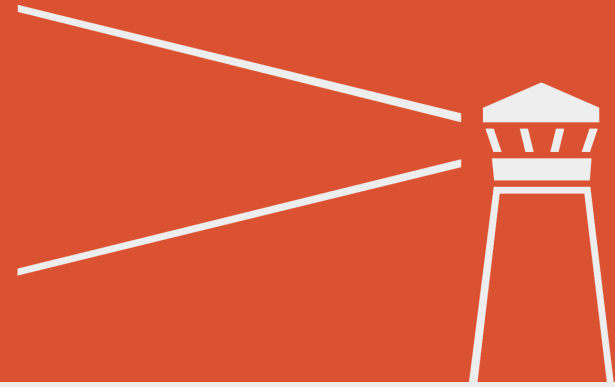

# Leadership qualities

## **13/13 - Supportive**

A great leader concerns themselves with the well-being of their team and colleagues.
